Soft Skills

- Teamwork
- Communication
- Adaptability
- Problem Solving

Projects

Online Price Comparison Website

Dec 2024

Developed a full-stack web application to help users compare product prices across e-commerce platforms. Designed a responsive frontend and implemented user authentication, review, and rating features using HTML, CSS, JavaScript, JSP, and MySQL. Focused on optimizing database performance and UI responsiveness to deliver a smooth user experience—demonstrating strong problem-solving, backend integration, and frontend development skills.

Certifications

Building Critical Thinking Skills in the Age of AI – Coursera

Feb 2025

Completed an online course focusing on decision-making and analytical skills in the context of emerging AI technologies.

Volunteering Experience

National Service Scheme (NSS)

2022 – 2023

Engaged in community development programs, promoting education and environmental awareness through collaborative social initiatives.

Awards
